## **COUNCILWOMAN KATHLEEN WALSH EXTENDS CENTEREACH POOL HOURS**

**Farmingville, NY** – After numerous requests from her constituents to extend the hours at the Centereach Pool for family swim time, Councilwoman Kathleen Walsh was able to expand the hours at the facility for the duration of the summer.

Working with Parks Commissioner Ed Morris and the Finance Department, the Councilwoman was able to extend the hours of operation so commuting residents can have ample time to use the facilities. Passing a resolution at the July 19, 2011 Town of Brookhaven Board meeting, the Councilwoman was able to transfer revenues generated from the cell tower on the site, to cover the expense of the extended operations.

The Centereach Pool will now be open from 9am till 8pm daily.

“Working together with various departments, gathering knowledge and information, I can better serve the residents I represent,” said Councilwoman Walsh.
